THE TASHAS APP — EVERY VISIT, THE START OF THE NEXT.

PREPARED FOR TASHAS

A STRATEGY FOR THE APP AS A BUSINESS ENGINE, AND AS TASHAS'S OWN MARKETING CHANNEL.

BUSINESS ENGINE | MARKETING TOOL | LAUNCH PLAN | INVESTMENT

PREPARED BY LEGACYLEVERAGE CREATIVE AGENCY
28 OCTOBER 2026

EXECUTIVE SUMMARY

ONE APP. AN OWNED CHANNEL THAT FILLS TABLES AND BRINGS GUESTS BACK.

Tashas is built on beautiful food, distinctive cafés and personal service. The app turns that into an owned, measurable relationship with every guest who says yes, so each booking, visit and gift becomes the start of the next.

R680 000 TO BUILD

GROWTH EDITION, FIXED PRICE EXCLUDING VAT. A WEB-APP-ONLY LAUNCH EDITION STARTS AT R459 000.

16 WEEKS TO LAUNCH

A PILOT CAFÉ ON A TEST BUILD AT WEEK 12. EVERY CAFÉ AND BOTH APP STORES AT WEEK 16.

ABOUT 1 680 EXTRA TABLES TO PAY BACK

AT A R900 AVERAGE TABLE BILL AND 45% CONTRIBUTION (ILLUSTRATIVE): FEWER THAN FIVE A DAY ACROSS THE GROUP IN YEAR ONE.

APP, CODE AND DATA: YOURS

TRANSFERRED TO TASHAS ON FINAL PAYMENT. GUEST DATA IS COLLECTED UNDER POPIA, WITH A CLEAR YES FOR MARKETING.

R4 000–R10 000 A MONTH TO RUN

ESTIMATED HOSTING, MESSAGING AND STORE ACCOUNTS AT LAUNCH VOLUMES. GATEWAY AND BOOKING FEES SIT UNDER TASHAS'S OWN CONTRACTS.

A WEEK-2 GATE BEFORE THE BUILD

BOOKING AND PAYMENT PROVIDERS ARE CONFIRMED BEFORE BUILD SPEND. IF THEY DIFFER, WE RE-SCOPE WITH YOU FIRST.

THE OPPORTUNITY

WHY AN APP, AND WHY IT CREATES VALUE BEYOND THE BOOKING

What asset does this money create, and how does it earn? The app is a booking system, a loyalty programme and a marketing channel in one. It compounds: every guest it gains can be reached again.

01

OWN THE RELATIONSHIP

SOCIAL REACH IS RENTED AND RATIONED. A GUEST WHO OPTS IN CAN BE REACHED DIRECTLY WITH A NEW MENU, AN EVENT OR A REWARD, AT ALMOST NO COST PER MESSAGE.

02

KNOW WHO WALKED IN

A WALK-IN GUEST CAN LOVE THEIR BRUNCH AND LEAVE WITHOUT TASHAS EVER KNOWING THEIR NAME. BOOKINGS, REWARDS AND A TABLE QR TURN VISITS INTO KNOWN GUESTS, WITH PERMISSION.

03

FILL THE QUIETER HOURS

CAFÉ DEMAND ARRIVES IN PEAKS. TARGETED CAMPAIGNS FOR WEEKDAY MORNINGS AND AFTERNOONS MOVE GUESTS INTO THE GAPS, WITHOUT BLANKET DISCOUNTS.

04

PROTECT THE TABLE

DEPOSITS ON LARGER OR PEAK BOOKINGS, TERMS SHOWN UP FRONT AND A REMINDER BEFORE EVERY VISIT PROTECT THE TABLES THAT MATTER MOST, CAFÉ BY CAFÉ.

05

EVIDENCE, NOT GUESSWORK

EVERY LINK, QR CODE AND CAMPAIGN CARRIES ITS SOURCE THROUGH TO THE BOOKING, SO TASHAS SEES WHICH CHANNEL ACTUALLY FILLS TABLES, AND SPENDS ACCORDINGLY.

06

THE BRAND IN THEIR POCKET

TASHAS'S PHOTOGRAPHY, DESIGN AND EACH CAFÉ'S OWN "INSPIRED BY" STORY, CARRIED INTO AN EXPERIENCE AS CONSIDERED AS THE ROOMS THEMSELVES.

THE STRATEGY ON A PAGE

FOUR LEVERS OF CAFÉ GROWTH. ONE APP PULLS ALL OF THEM.

Café revenue is guests × visits × spend, less the cost of serving them. Each part of the app is there to move one of those four numbers, and each is measured.

+ MORE GUESTS

- BOOK ANY HOUR FROM GOOGLE, INSTAGRAM, WHATSAPP OR A QR CODE
- EVERY BOOKING INVITES THE REST OF THE TABLE
- VOUCHERS BRING IN NEW GUESTS, PAID FOR BY EXISTING ONES

× MORE VISITS

- REWARDS THAT COUNT EVERY COMPLETED VISIT
- WELCOME, POST-VISIT AND WIN-BACK JOURNEYS
- NEW MENUS AND EVENTS ANNOUNCED TO GUESTS WHO SAID YES

↑ BETTER SPEND

- OCCASIONS NOTED AT BOOKING: BIRTHDAYS, CELEBRATIONS
- PRE-PAID EVENT SEATS AND GIFT VOUCHERS
- CAMPAIGNS THAT SELL THE RIGHT HOUR, NOT A DISCOUNT

− LOWER COST TO SERVE

- DEPOSITS AND REMINDERS PROTECT AGAINST NO-SHOWS
- CONFIRMATIONS AND CHANGES WITHOUT A PHONE CALL
- DIRECT REACH REPLACES REPEAT PAID MEDIA

POSITIONING

FOR GUESTS WHO TREAT A CAFÉ VISIT AS AN OCCASION, TASHAS IS THE CAFÉ THAT REMEMBERS THEM. THE APP IS HOW IT REMEMBERS.

WHO IT SERVES

SIX GUESTS THE APP IS BUILT TO SERVE

Each guest has a job they want done. The app does it for them, and Tashas gets a measurable result in return.

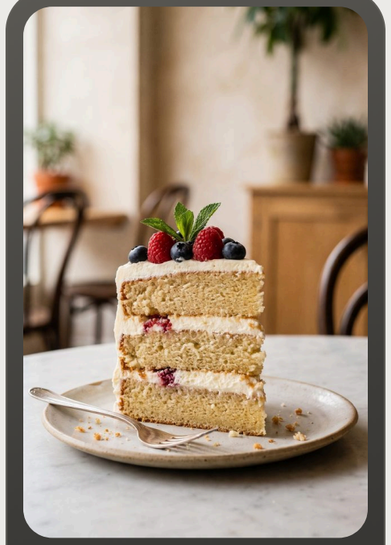

THE WEEKDAY REGULAR

WANTS: GOOD COFFEE, NO FUSS.
APP: REWARDS ON EVERY VISIT, THE NEAREST CAFÉ.
MEASURE: VISITS PER GUEST

THE BRUNCH TABLE

WANTS: A TABLE FOR SIX, HELD.
APP: BOOK AHEAD, DEPOSIT, INVITE THE TABLE.
MEASURE: BOOKINGS, NO-SHOWS

THE CELEBRATION

WANTS: A BIRTHDAY THAT FEELS LOOKED AFTER.
APP: THE OCCASION NOTED FOR THE TEAM.
MEASURE: SPEND PER TABLE

THE GIFTER

WANTS: A GIFT THAT FEELS PERSONAL.
APP: “GIFT A MORNING” VOUCHERS.
MEASURE: VOUCHERS REDEEMED BY NEW GUESTS

THE NEWCOMER

WANTS: A GOOD CAFÉ NEARBY.
APP: VERIFIED CAFÉ PAGES ON GOOGLE, ONE-TAP BOOKING.
MEASURE: FIRST VISITS BY SOURCE

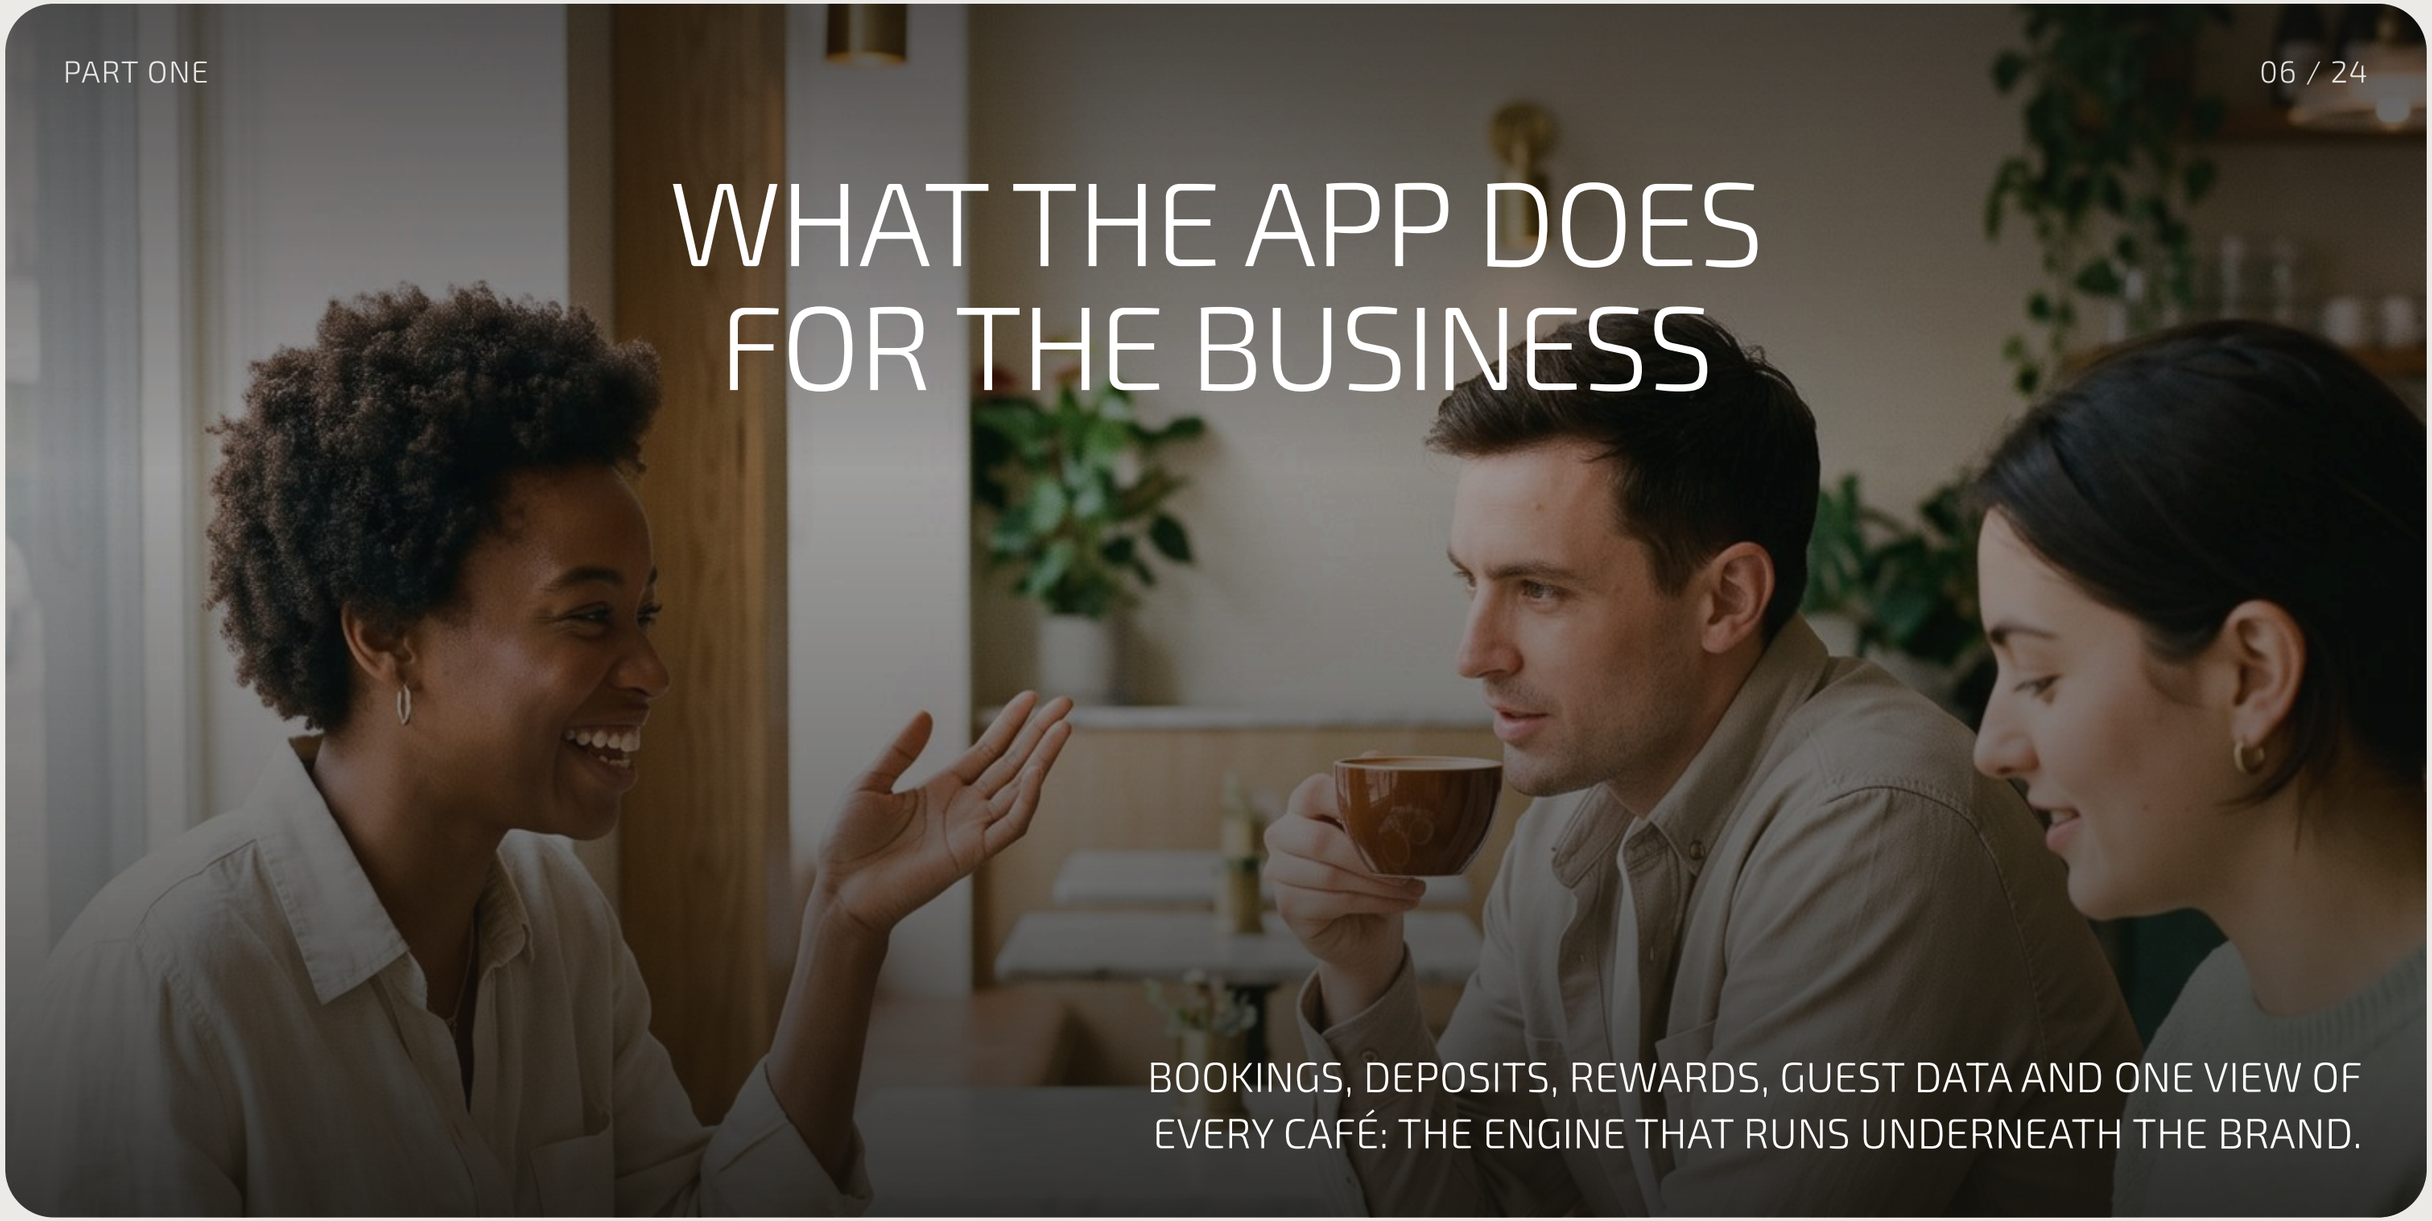

THE LAPSED GUEST

WANTS: A REASON TO COME BACK.
APP: A WIN-BACK NOTE, A NEW MENU, A REWARD REMINDER.
MEASURE: GUESTS REACTIVATED

These segments are working hypotheses. Each is sized from real booking and rewards data during discovery, and campaigns are weighted to the segments that prove largest.

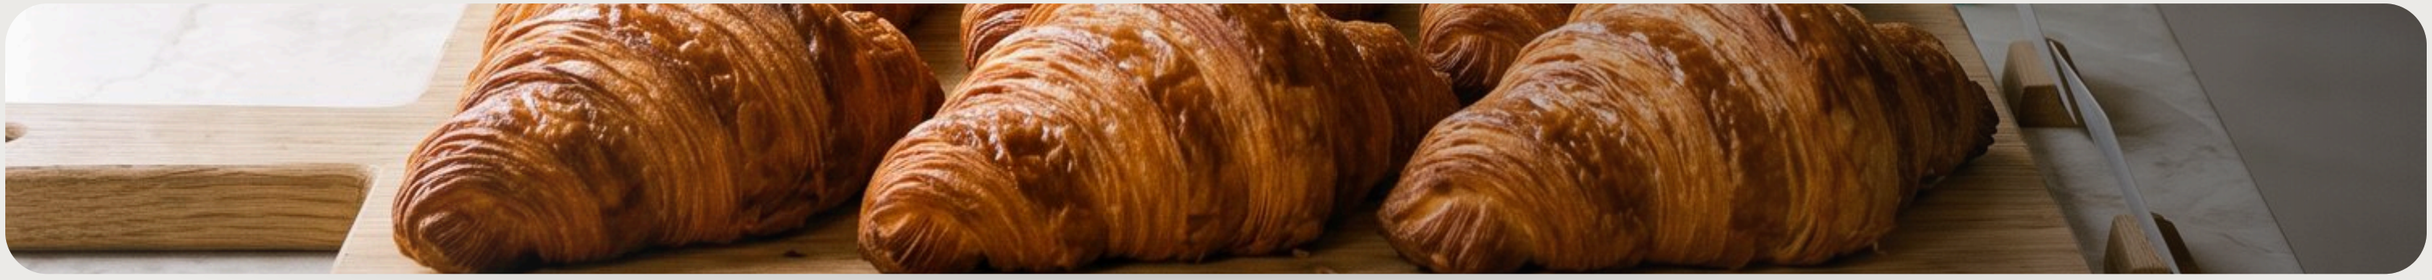

WHAT THE APP DOES FOR THE BUSINESS

BOOKINGS, DEPOSITS, REWARDS, GUEST DATA AND ONE VIEW OF EVERY CAFÉ: THE ENGINE THAT RUNS UNDERNEATH THE BRAND.

BUSINESS ENGINE

FILL THE ROOM, AND PROTECT EVERY TABLE IN IT

BOOK ANY HOUR

LIVE AVAILABILITY

GUESTS BOOK FROM GOOGLE, INSTAGRAM, WHATSAPP OR A QR CODE, AT MIDNIGHT OR AT THE DOOR. SLOTS COME LIVE FROM TASHAS'S RESERVATION PROVIDER, AND A DOUBLE TAP NEVER MAKES A DOUBLE BOOKING.

PROTECT THE TABLE

DEPOSITS AND REMINDERS

CAFÉ-SPECIFIC DEPOSITS FOR LARGER OR PEAK TABLES, TERMS SHOWN BEFORE PAYMENT, AND A REMINDER BEFORE EVERY BOOKING. A BOOKING IS CONFIRMED ONLY ONCE THE PAYMENT IS VERIFIED.

SELL BEYOND THE TABLE

VOUCHERS AND EVENT SEATS

GIFT VOUCHERS, PRE-PAID TASTING EVENTS AND OCCASION BOOKINGS BRING REVENUE IN BEFORE THE GUEST ARRIVES, WITH REFUNDS AND RECONCILIATION BUILT IN.

BUSINESS ENGINE

BRING GUESTS BACK, AND KNOW WHO THEY ARE

REWARDS THAT COUNT

EVERY VERIFIED VISIT

POINTS FOR COMPLETED VISITS AND EVENTS, TIERS GUESTS WATCH THEMSELVES CLIMB, A VOUCHER WALLET AND FAIR EXPIRY. EVERY POINT SITS IN AN AUDITABLE LEDGER AND IS NEVER EARNED TWICE.

ONE GUEST, ONE PROFILE

WITH CONSENT

BOOKINGS, VISITS, PREFERENCES AND REWARDS IN ONE PLACE, WITH MARKETING CONSENT RECORDED PER CHANNEL UNDER POPIA. GUESTS SEE AND CHANGE WHAT THEY RECEIVE.

SERVICE THAT RUNS ITSELF

CONFIRM, REMIND, RECONCILE

CONFIRMATIONS, REMINDERS, CHANGES AND RECEIPTS GO OUT AUTOMATICALLY. IF A PAYMENT AND A BOOKING EVER DISAGREE, STAFF ARE ALERTED AND THE GUEST IS TOLD THE TRUTH.

THE GUEST JOURNEY

FROM FIRST LOOK TO NEXT VISIT, ONE CONNECTED FLOW

Each step is something the guest wants to do. Each one also hands Tashas something it can use: a source, a protected table, a known guest, a reason to return.

01 DISCOVER

GUEST
FINDS A CAFÉ ON GOOGLE, INSTAGRAM OR A FRIEND'S INVITE.

TASHAS GETS
THE SOURCE OF EVERY VISIT.

02 BOOK

GUEST
PICKS A CAFÉ, A TIME AND THE SIZE OF THE TABLE.

TASHAS GETS
A BOOKING CONFIRMED LIVE BY ITS PROVIDER.

03 SECURE

GUEST
PAYS A DEPOSIT WHERE THE CAFÉ ASKS FOR ONE.

TASHAS GETS
A PROTECTED TABLE, VERIFIED SERVER-SIDE.

04 PREPARE

GUEST
GETS A REMINDER AND ADDS IT TO THEIR CALENDAR.

TASHAS GETS
FEWER NO-SHOWS, OCCASIONS KNOWN AHEAD.

05 VISIT

GUEST
ARRIVES, ENJOYS, SCANS THE TABLE QR TO EARN.

TASHAS GETS
A VERIFIED VISIT, LINKED TO A KNOWN GUEST.

06 REWARD

GUEST
EARNS POINTS AND SEES THE NEXT TIER.

TASHAS GETS
A REASON TO RETURN, WITHOUT DISCOUNTING.

07 RETURN

GUEST
COMES BACK FOR A NEW MENU, AN EVENT OR A REWARD.

TASHAS GETS
REPEAT VISITS, MEASURED.

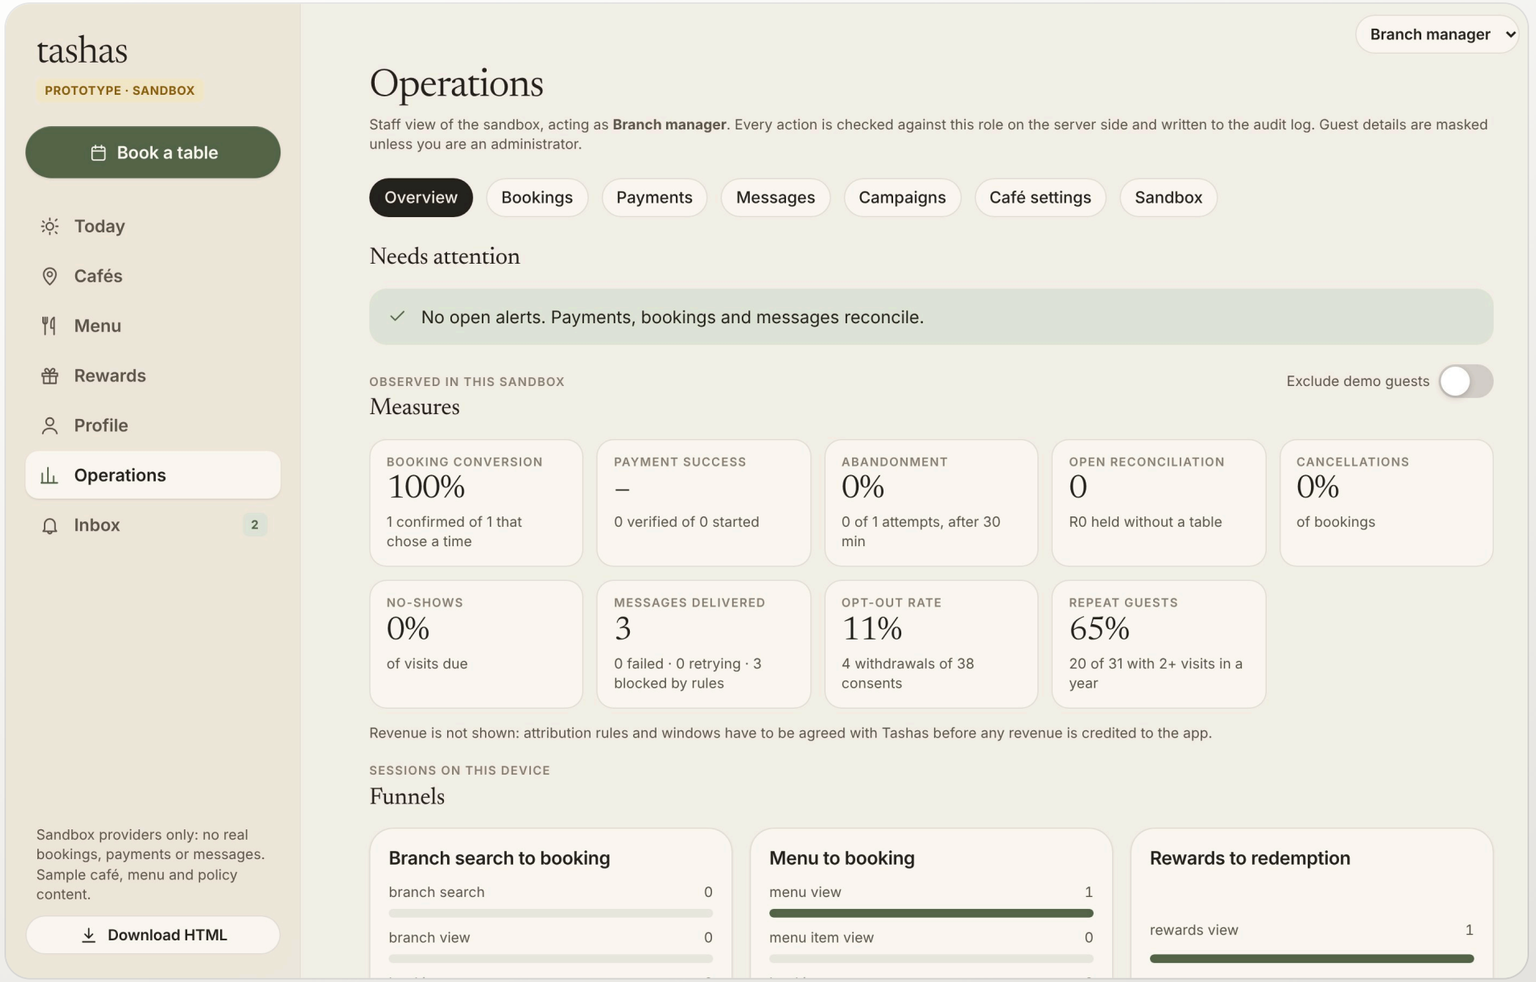

UNDERNEATH

EVERY STEP WRITES TO ONE GUEST RECORD AND ONE EVENT STREAM. THAT IS HOW A BOOKING TRIGGERS ITS REMINDER, A VISIT EARNS ITS POINTS AND A CAMPAIGN PROVES IT WORKED.

ONE VIEW OF EVERY CAFÉ

RUN EVERY CAFÉ FROM ONE SCREEN

Managers see bookings, payments, messages and campaigns in one place, with every action checked against their role and written to an audit log.

WORKING CONCEPT · OPERATIONS OVERVIEW · SANDBOX DATA

BOOKINGS AND NO-SHOWS

CONVERSION, CANCELLATIONS AND NO-SHOWS BY CAFÉ, DEVICE AND CAMPAIGN, SO DEPOSIT RULES ARE SET ON EVIDENCE.

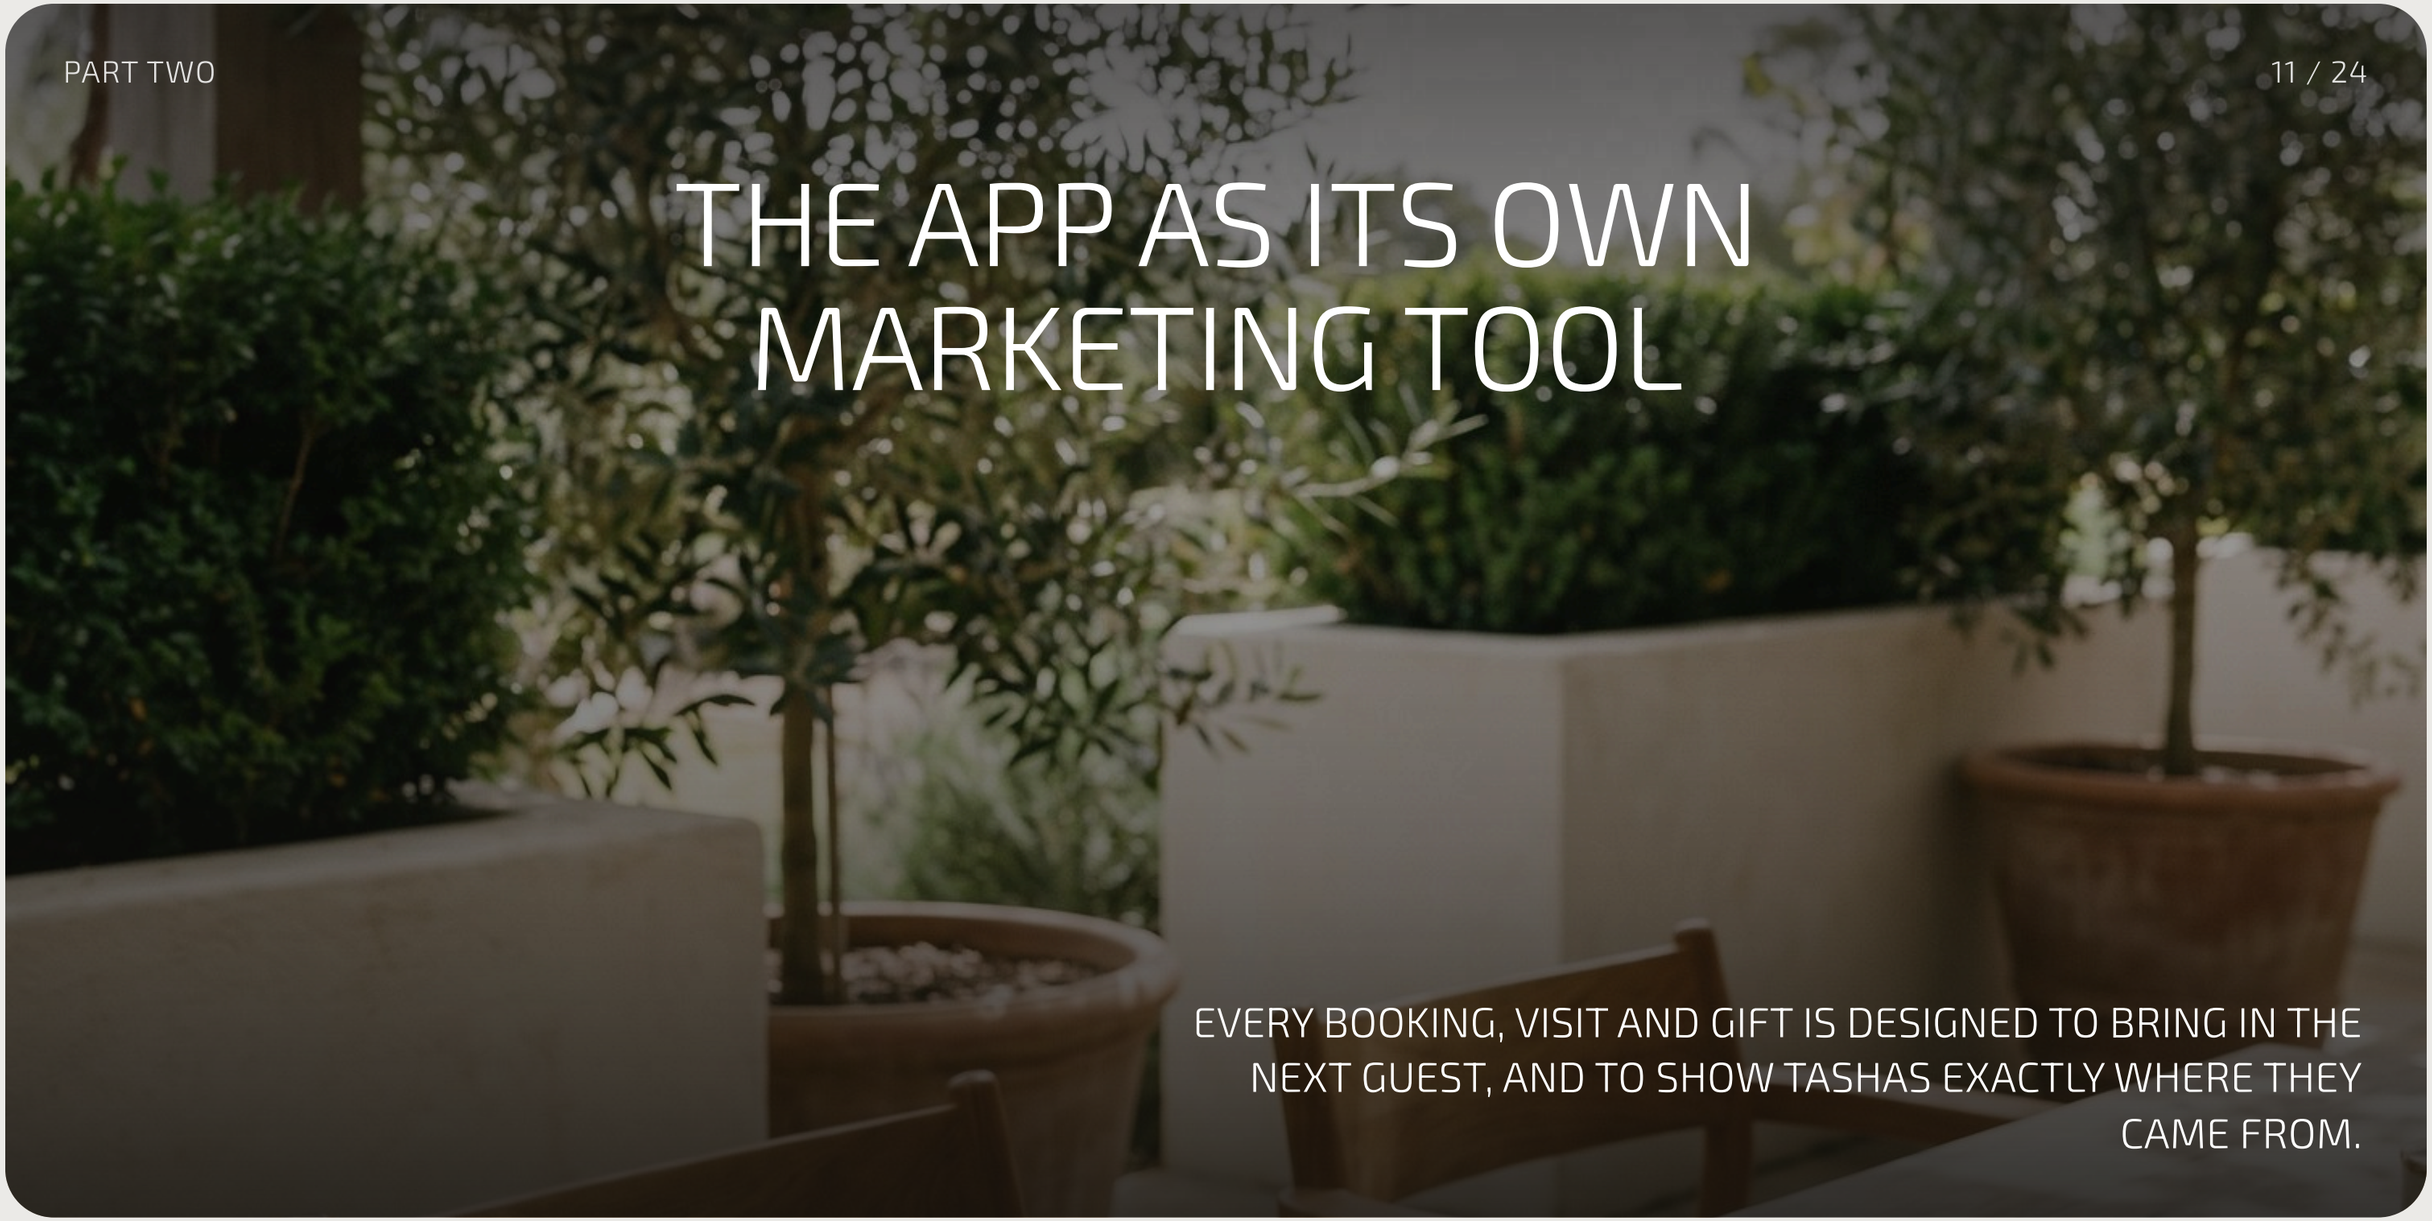

PAYMENTS RECONCILED

EVERY DEPOSIT MATCHED TO A BOOKING. REFUNDS BY ROLE, WITH A REASON AND A GATEWAY REFERENCE.

HONEST NUMBERS

REVENUE IS CREDITED TO THE APP ONLY UNDER ATTRIBUTION RULES AGREED WITH TASHAS, NEVER FROM LAST CLICK ALONE.

THE APP AS ITS OWN MARKETING TOOL

EVERY BOOKING, VISIT AND GIFT IS DESIGNED TO BRING IN THE NEXT GUEST, AND TO SHOW TASHAS EXACTLY WHERE THEY CAME FROM.

MARKETING ENGINE

SIX WAYS THE APP MARKETS TASHAS, EVERY DAY

An app is usually treated as a cost of service. Built well, it is the most efficient marketing channel a café group can own.

01

EVERY BOOKING IS AN INVITATION

A TABLE FOR SIX IS ONE BOOKER AND FIVE GUESTS. “INVITE YOUR TABLE” SHARES THE CAFÉ, THE TIME AND A CALENDAR LINK BY WHATSAPP, SO EVERY BOOKING INTRODUCES TASHAS TO NEW PEOPLE.

02

WALK-INS BECOME KNOWN GUESTS

A QR CODE ON THE TABLE AND THE RECEIPT: “JOIN AND EARN POINTS FOR TODAY.” THE VISIT IS CONFIRMED AT THE TILL, SO POINTS STAY HONEST. THE BEST MOMENT TO ASK IS WHEN THE GUEST IS ALREADY HAPPY.

03

GIFTS THAT RECRUIT

A “GIFT A MORNING” VOUCHER IS A NEW GUEST, INTRODUCED AND PAID FOR BY AN EXISTING ONE. REDEEMING IT BRINGS THEM INTO THE APP.

04

ONE PAGE, ONE ACTION

CAMPAIGN PAGES FOR BRUNCH, COFFEE, CAKE, GIFTS AND EVENTS, EACH WITH ONE BUTTON AND A TRACKED LINK FOR EMAIL, QR, SOCIAL AND WHATSAPP.

05

REACH WITHOUT RENT

PUSH, IN-APP AND EMAIL REACH OPTED-IN GUESTS AT ALMOST NO COST PER MESSAGE, WITH FREQUENCY CAPS AND QUIET HOURS SO EVERY MESSAGE IS WELCOME.

06

FOUND WHERE GUESTS LOOK

VERIFIED CAFÉ PAGES WITH STRUCTURED DATA FOR GOOGLE, LINKED TO EACH BUSINESS PROFILE, AND A WELL-MADE APP STORE LISTING. RANKINGS ARE EARNED AND MEASURED, NEVER PROMISED.

THE SELF-MARKETING LOOP

EACH GUEST BRINGS IN THE NEXT ONE

HOW IT COMPOUNDS

PAID MEDIA BUYS A GUEST'S ATTENTION ONCE. THE LOOP KEEPS WHAT THE FIRST BOOKING EARNED: THE FRIENDS AT THE TABLE, THE VISIT, THE REWARD AND THE GIFT EACH CARRY TASHAS TO SOMEONE NEW. THE APP TRACKS EVERY TURN, SO TASHAS CAN SEE WHICH STEP TO STRENGTHEN.

PARTY SIZE IS REACH

A BOOKING IS RARELY FOR ONE. EACH SHARED BOOKING REACHES EVERYONE AT THE TABLE.

A GIFT IS A NEW GUEST

THE GIVER PAYS; THE RECIPIENT ARRIVES ALREADY SOLD ON TASHAS.

CAMPAIGN PLAYBOOK

FIVE CAMPAIGNS, READY ON DAY ONE

Each campaign has one job, one audience and one button. Together they cover the week, the day and the gifting year.

WEEKEND BRUNCH

GOAL	BOOK AHEAD, PROTECT BIG TABLES
WHO	GROUPS AND FAMILIES
WHERE	INSTAGRAM, EMAIL, WHATSAPP
MEASURE	BOOKINGS, DEPOSITS, NO-SHOWS

MORNING COFFEE

GOAL	WEEKDAY FREQUENCY
WHO	REGULARS NEAR EACH CAFÉ
WHERE	PUSH, TABLE QR, GOOGLE
MEASURE	VISITS PER GUEST

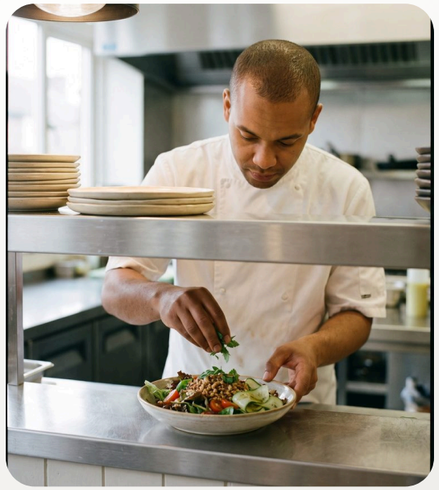

AFTERNOON CAKE

GOAL	LIFT THE QUIET AFTERNOON
WHO	NEARBY AND LAPSED GUESTS
WHERE	PUSH, INSTAGRAM
MEASURE	AFTERNOON COVERS

GIFT A MORNING

GOAL	NEW GUESTS, PAID IN ADVANCE
WHO	GIFTERS AND COMPANIES
WHERE	EMAIL, SOCIAL, IN-CAFÉ
MEASURE	SOLD, REDEEMED, NEW GUESTS

SPRING TASTING

GOAL	EVENTS THAT SELL OUT AND RECRUIT
WHO	REWARDS MEMBERS FIRST
WHERE	IN-APP, EMAIL
MEASURE	SEATS SOLD, FIRST VISITS

All five pages exist in the working concept with sample copy. Final copy, offers, prices and dates are written with and approved by Tashas before anything goes live.

LIFECYCLE JOURNEYS

THE RIGHT MESSAGE AT THE RIGHT MOMENT, AND NEVER ONE TOO MANY

SERVICE MESSAGE: ALWAYS SENT · MARKETING MESSAGE: ONLY WITH CONSENT

IF SHARED, WITH CONSENT

EMAIL

WIN-BACK
AFTER A QUIET SPELL TASHAS SETS

EMAIL · PUSH · WHATSAPP*

WHAT GUESTS RECEIVE

t TASHAS NOW

Your table is booked

Tashas Rosebank, Saturday 31 Oct at 07:00 for 6. Reference TSH-4F7Q2K. Deposit paid: R600.

t TASHAS DAY BEFORE

See you tomorrow

Tashas Rosebank at 07:00, table for 6. Need to change it? Manage your booking in the app.

t TASHAS AFTER THE VISIT

You earned 50 points

For your visit to Tashas Rosebank. Your balance is now 200 points.

t TASHAS WITH CONSENT

It has been a while

Your table at Tashas Rosebank is waiting. Book your next breakfast in a few taps.

Sample messages from the working concept's templates; final wording, reward values and timings are set by Tashas. *WhatsApp and SMS switch on only once Tashas approves the provider, the sender, the templates and the consent wording.

GUARDRAILS, BUILT IN

- CONSENT RECORDED PER CHANNEL AND PURPOSE, WITH WORDING AND VERSION
- A GLOBAL SUPPRESSION LIST, CHECKED AGAIN JUST BEFORE EVERY SEND
- FREQUENCY CAPS AND QUIET HOURS
- EVERY CAMPAIGN APPROVED BY A SECOND PERSON
- SERVICE MESSAGES NEVER CARRY PROMOTIONS
- ONE-TAP OPT-OUT, HONOURED IMMEDIATELY

LAUNCH MARKETING

THE FIRST 90 DAYS: SEED, LAUNCH, COMPOUND

Launches fail quietly when the app is ready but the cafés are not. The plan starts with the team at the host stand, not with an advert.

WEEKS −4 TO 0

SEED

- TEAM BRIEFING AND A HOST-STAND SCRIPT AT EVERY CAFÉ
- TABLE TALKERS AND RECEIPT QR CODES, TRACKED PER CAFÉ
- BOOKING LINKS ON EACH GOOGLE BUSINESS PROFILE, INSTAGRAM AND THE WEBSITE
- APP STORE AND GOOGLE PLAY LISTINGS, SCREENSHOTS AND PRIVACY LABELS
- A FIRST LOOK FOR GUESTS WHO ALREADY SAID YES TO EMAIL

DAYS 1 TO 30

LAUNCH

- THE PILOT CAFÉ FIRST, THEN EVERY CAFÉ
- A FOUNDING-MEMBER WELCOME REWARD, VALUE SET BY TASHAS
- “SCAN TO EARN TODAY” AT EVERY TABLE
- LAUNCH CONTENT FROM THE PHOTOGRAPHY, WITH TRACKED LINKS
- A WEEKLY REVIEW: FIX WHATEVER SLOWS GUESTS DOWN

DAYS 31 TO 90

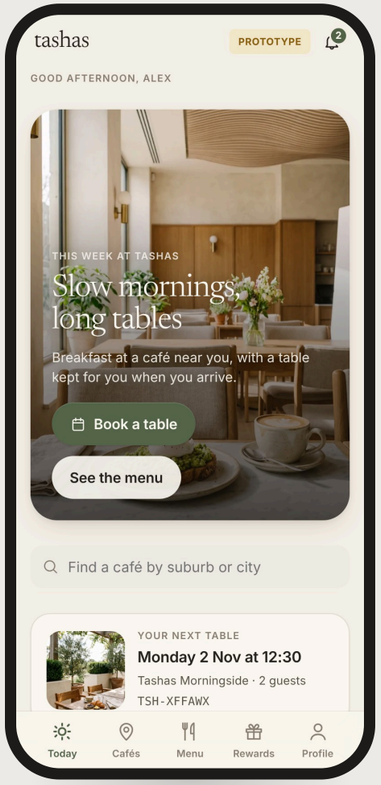

COMPOUND

- ROTATE THE FIVE CAMPAIGNS BY DAY, HOUR AND SEASON
- FESTIVE GIFTING WITH “GIFT A MORNING” VOUCHERS
- POST-VISIT AND WIN-BACK JOURNEYS ON, AFTER LEGAL SIGN-OFF
- A/B TESTS ON LANDING COPY, WITH HOLDOUT GROUPS
- A 90-DAY REVIEW: MOVE SPEND TO THE CHANNELS THAT FILL TABLES

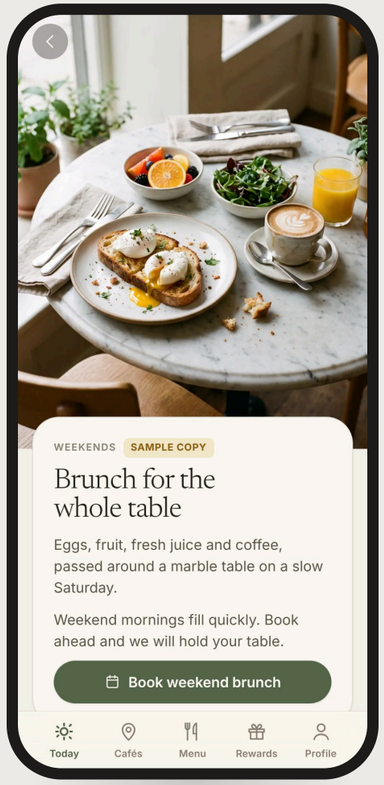

PROOF BEFORE PAYMENT

THE APP ALREADY WORKS. THIS INVESTMENT TAKES IT LIVE.

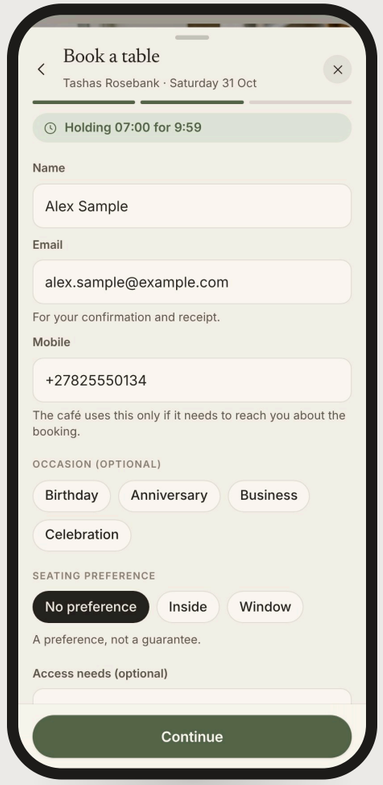

A working concept built from Tashas's brief and photography, running on sandbox providers. The build starts here, not from a blank page.

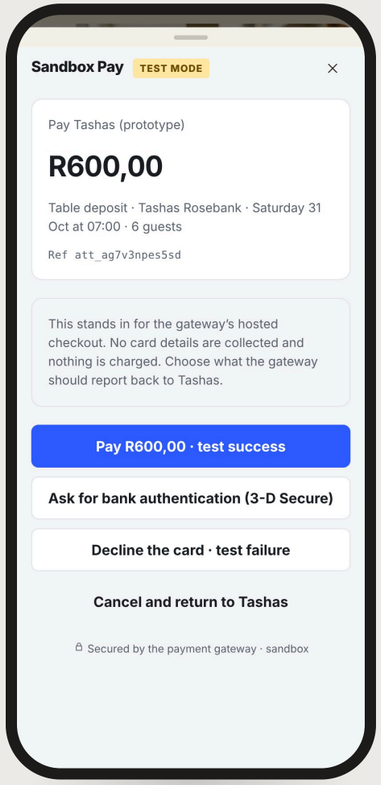

TODAY

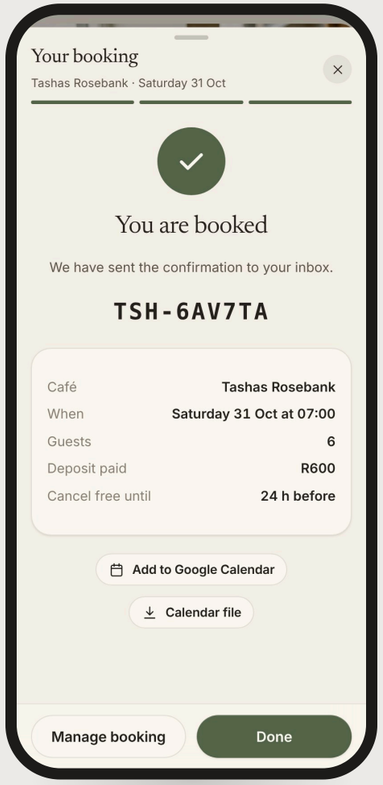

CAMPAIGN PAGE

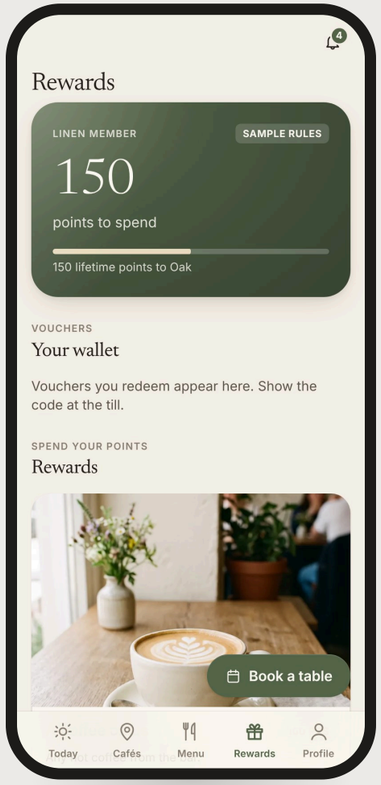

BOOKING, SLOT HELD

DEPOSIT · SANDBOX

CONFIRMED

REWARDS

85 AUTOMATED TESTS

BOOKINGS, PAYMENTS, REFUNDS, REWARDS, CONSENT AND CAMPAIGNS.

EVERY SCREEN CHECKED

PHONE, ANDROID, TABLET AND DESKTOP, PLUS DARK MODE.

28 BRAND IMAGES

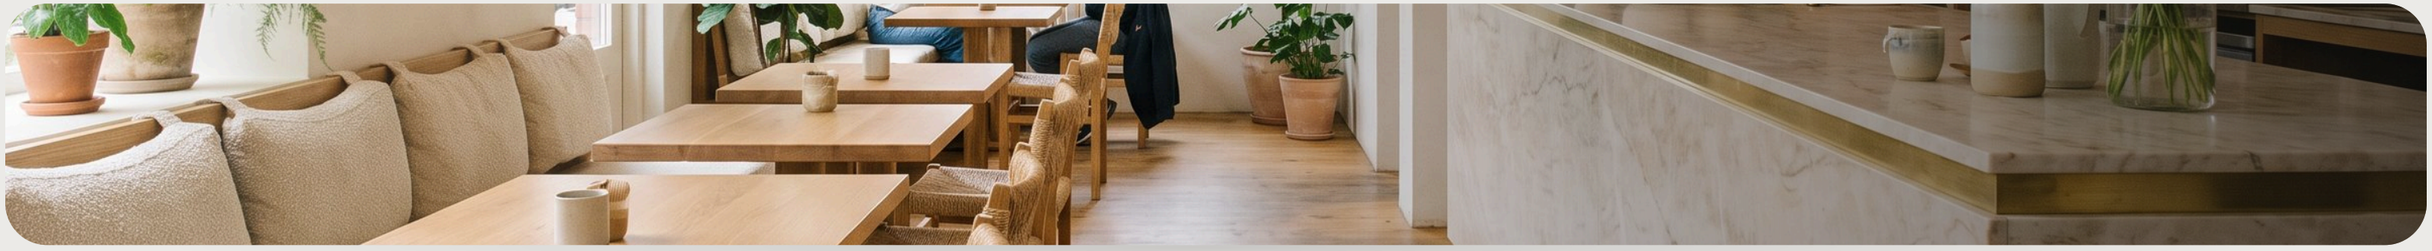

EACH VERIFIED AGAINST ITS SHA-256 FINGERPRINT.

ONE OFFLINE FILE

THE WHOLE CONCEPT, SHARED BY WHATSAPP OR EMAIL.

INVESTMENT OPTIONS

THREE WAYS TO START. WE RECOMMEND GROWTH.

LAUNCH

R459 000

83 DAYS · LIVE IN 12 WEEKS

AN INSTALLABLE WEB APP ON IPHONE, ANDROID AND DESKTOP. BOOKING ON THE APPROVED PROVIDER, DEPOSITS, CONFIRMATIONS AND REMINDERS, REWARDS, FIVE CAMPAIGN PAGES WITH QR CODES AND TRACKED LINKS, AND THE OPERATIONS DASHBOARD.

GROWTH RECOMMENDED

R680 000

123 DAYS · LIVE IN 16 WEEKS

EVERYTHING IN LAUNCH, PLUS NATIVE APPS ON THE APP STORE AND GOOGLE PLAY, LIFECYCLE JOURNEYS, GIFT VOUCHERS AND EVENT SEATS, WHATSAPP ONCE APPROVED, VERIFIED CAFÉ PAGES FOR GOOGLE, AND A/B TESTS WITH HOLDOUTS.

GROUP

R922 000

167 DAYS · LIVE IN 20 WEEKS

EVERYTHING IN GROWTH, PLUS POS INTEGRATION SO REWARDS FOLLOW VERIFIED SPEND, CRM INTEGRATION, ORDER-AHEAD WHERE CAFÉS SUPPORT IT, MULTI-CURRENCY READINESS AND A HOST-STAND VIEW FOR STAFF.

Fixed prices excluding VAT, at the same senior rate as our current proposals (R690 an hour), confirmed at the week-2 gate. Valid until 27 November 2026.

THE COSTING

GROWTH EDITION, R680 000, ITEMISED

	DELIVERABLE	DAYS	PRICE
01	DISCOVERY AND PROVIDER CONFIRMATION Ends in a go / re-scope decision at week 2	7	R38 640
02	BRAND SYSTEM AND LAUNCH DESIGN Tashas's palette and type, app icon, store art	8	R44 160
03	BOOKING ENGINE Live availability, change, cancel, waitlist, webhooks	16	R88 320
04	PAYMENTS Deposits, vouchers, event seats, refunds, reconciliation	14	R77 280
05	NOTIFICATIONS AND PREFERENCES In-app, push, email; consent records per channel	10	R55 200
06	REWARDS LEDGER AND VOUCHER WALLET Earn, redeem, expire, reverse; table QR to join	8	R44 160
07	LIFECYCLE JOURNEYS AND CAMPAIGN BUILDER Approvals, caps, quiet hours, suppression	12	R66 240

	DELIVERABLE	DAYS	PRICE
08	CAMPAIGN PAGES AND ATTRIBUTION QR, tracked links, "invite your table", A/B tests	8	R44 160
09	LOCAL SEARCH FOUNDATIONS Verified café pages, structured data, Search Console	6	R33 120
10	OPERATIONS DASHBOARD Bookings, payments, refunds, message health, KPIs	8	R44 160
11	IOS AND ANDROID RELEASE Native builds, store listings, review	9	R49 680
12	QUALITY, ACCESSIBILITY AND SECURITY Devices, screen readers, large text, penetration checks	7	R38 640
13	LAUNCH MARKETING KIT Team briefing, table QR, store screenshots, launch assets	5	R27 600
14	HYPERCARE AND HANDOVER 30 days of priority fixes, training, code and accounts	5	R27 600

SUBTOTAL	ROUNDING	VAT AT 15%, IF APPLICABLE	TOTAL, FIXED PRICE, EXCLUDING VAT
123 days · R678 960	R1 040	R102 000	**R680 000**

Effort is in person-days for a senior team: 984 hours at R690 an hour. The Launch edition is 83 days; the Group edition is 167 days.

RETURN ON INVESTMENT

THE APP PAYS FOR ITSELF AT FEWER THAN FIVE EXTRA TABLES A DAY

Break-even is simple arithmetic: the investment divided by what an extra table contributes. The table shows how many it takes across a range of bills and margins.

EXTRA TABLES NEEDED TO RECOVER R680 000

AVERAGE TABLE BILL	35% CONTRIBUTION	45% CONTRIBUTION	55% CONTRIBUTION
R600	3 239	2 519	2 061
R900	2 159	**1 680**	1 374
R1 200	1 620	1 260	1 031

Extra tables = R680 000 ÷ (average table bill × contribution margin), rounded up. The values are illustrative, not Tashas's figures, and are replaced with real numbers in discovery. Count only visits that would not have happened without the app, measured with holdout groups.

IN THE MIDDLE CASE: ABOUT 140 EXTRA TABLES A MONTH

AT A R900 AVERAGE TABLE BILL AND A 45% CONTRIBUTION, 1 680 EXTRA TABLES RECOVER THE INVESTMENT IN YEAR ONE. THAT IS ABOUT 140 A MONTH, OR FEWER THAN FIVE A DAY ACROSS THE WHOLE GROUP.

VALUE BEYOND TABLES
FEWER NO-SHOWS

VALUE BEYOND TABLES
LOWER COST TO REACH GUESTS

VALUE BEYOND TABLES
STAFFING AND PREP PLANNED AHEAD

VALUE BEYOND TABLES
GUEST DATA TASHAS OWNS

TIMELINE AND PAYMENTS

SIXTEEN WEEKS TO LAUNCH, WITH A GATE BEFORE THE BUILD

Weeks from signature. Sage bars mark the points where Tashas sees and approves progress.

FOUR MILESTONE PAYMENTS

MILESTONE	SHARE	AMOUNT
ON SIGNATURE Discovery starts	30%	R204 000
PILOT CAFÉ ON A TEST BUILD Week 12	30%	R204 000
EVERY CAFÉ, BOTH STORES Week 16	30%	R204 000
AFTER 30 DAYS OF HYPERCARE Week 20	10%	R68 000
TOTAL	**100%**	**R680 000**

NOTHING IS PAID FOR WORK YOU HAVE NOT SEEN

AFTER THE FIRST PAYMENT, EACH ONE FOLLOWS SOMETHING TASHAS CAN USE: A TEST BUILD ON ITS OWN PHONES, THE APP LIVE IN EVERY CAFÉ, AND A MONTH OF LIVE OPERATION.

MEASUREMENT

MEASURED MONTHLY, FROM DAY ONE

Business outcomes, not vanity metrics. Baselines are measured in month one, targets are agreed with Tashas in discovery, and every estimate is labelled as one.

BOOKING CONVERSION

CONFIRMED BOOKINGS DIVIDED BY QUALIFIED BOOKING STARTS, BY CAFÉ, DEVICE AND CAMPAIGN.

NO-SHOW RATE

WITH AND WITHOUT A DEPOSIT, BY CAFÉ AND TIME OF DAY, SO DEPOSIT RULES ARE SET ON EVIDENCE.

KNOWN-GUEST SHARE

THE SHARE OF VISITS LINKED TO A GUEST WHO SAID YES. THE NORTH-STAR MEASURE OF THIS STRATEGY.

REPEAT GUEST RATE

OPTED-IN GUESTS WITH ANOTHER COMPLETED VISIT WITHIN 90 DAYS.

OPT-IN AND OPT-OUT

CONSENT GAINED AND WITHDRAWN, PER CHANNEL. A RISING OPT-OUT RATE MEANS FEWER, BETTER MESSAGES.

INCREMENTAL REVENUE

PROVEN WITH HOLDOUT GROUPS AND AGREED ATTRIBUTION WINDOWS, NEVER CLAIMED FROM LAST CLICK ALONE.

PROTECTION

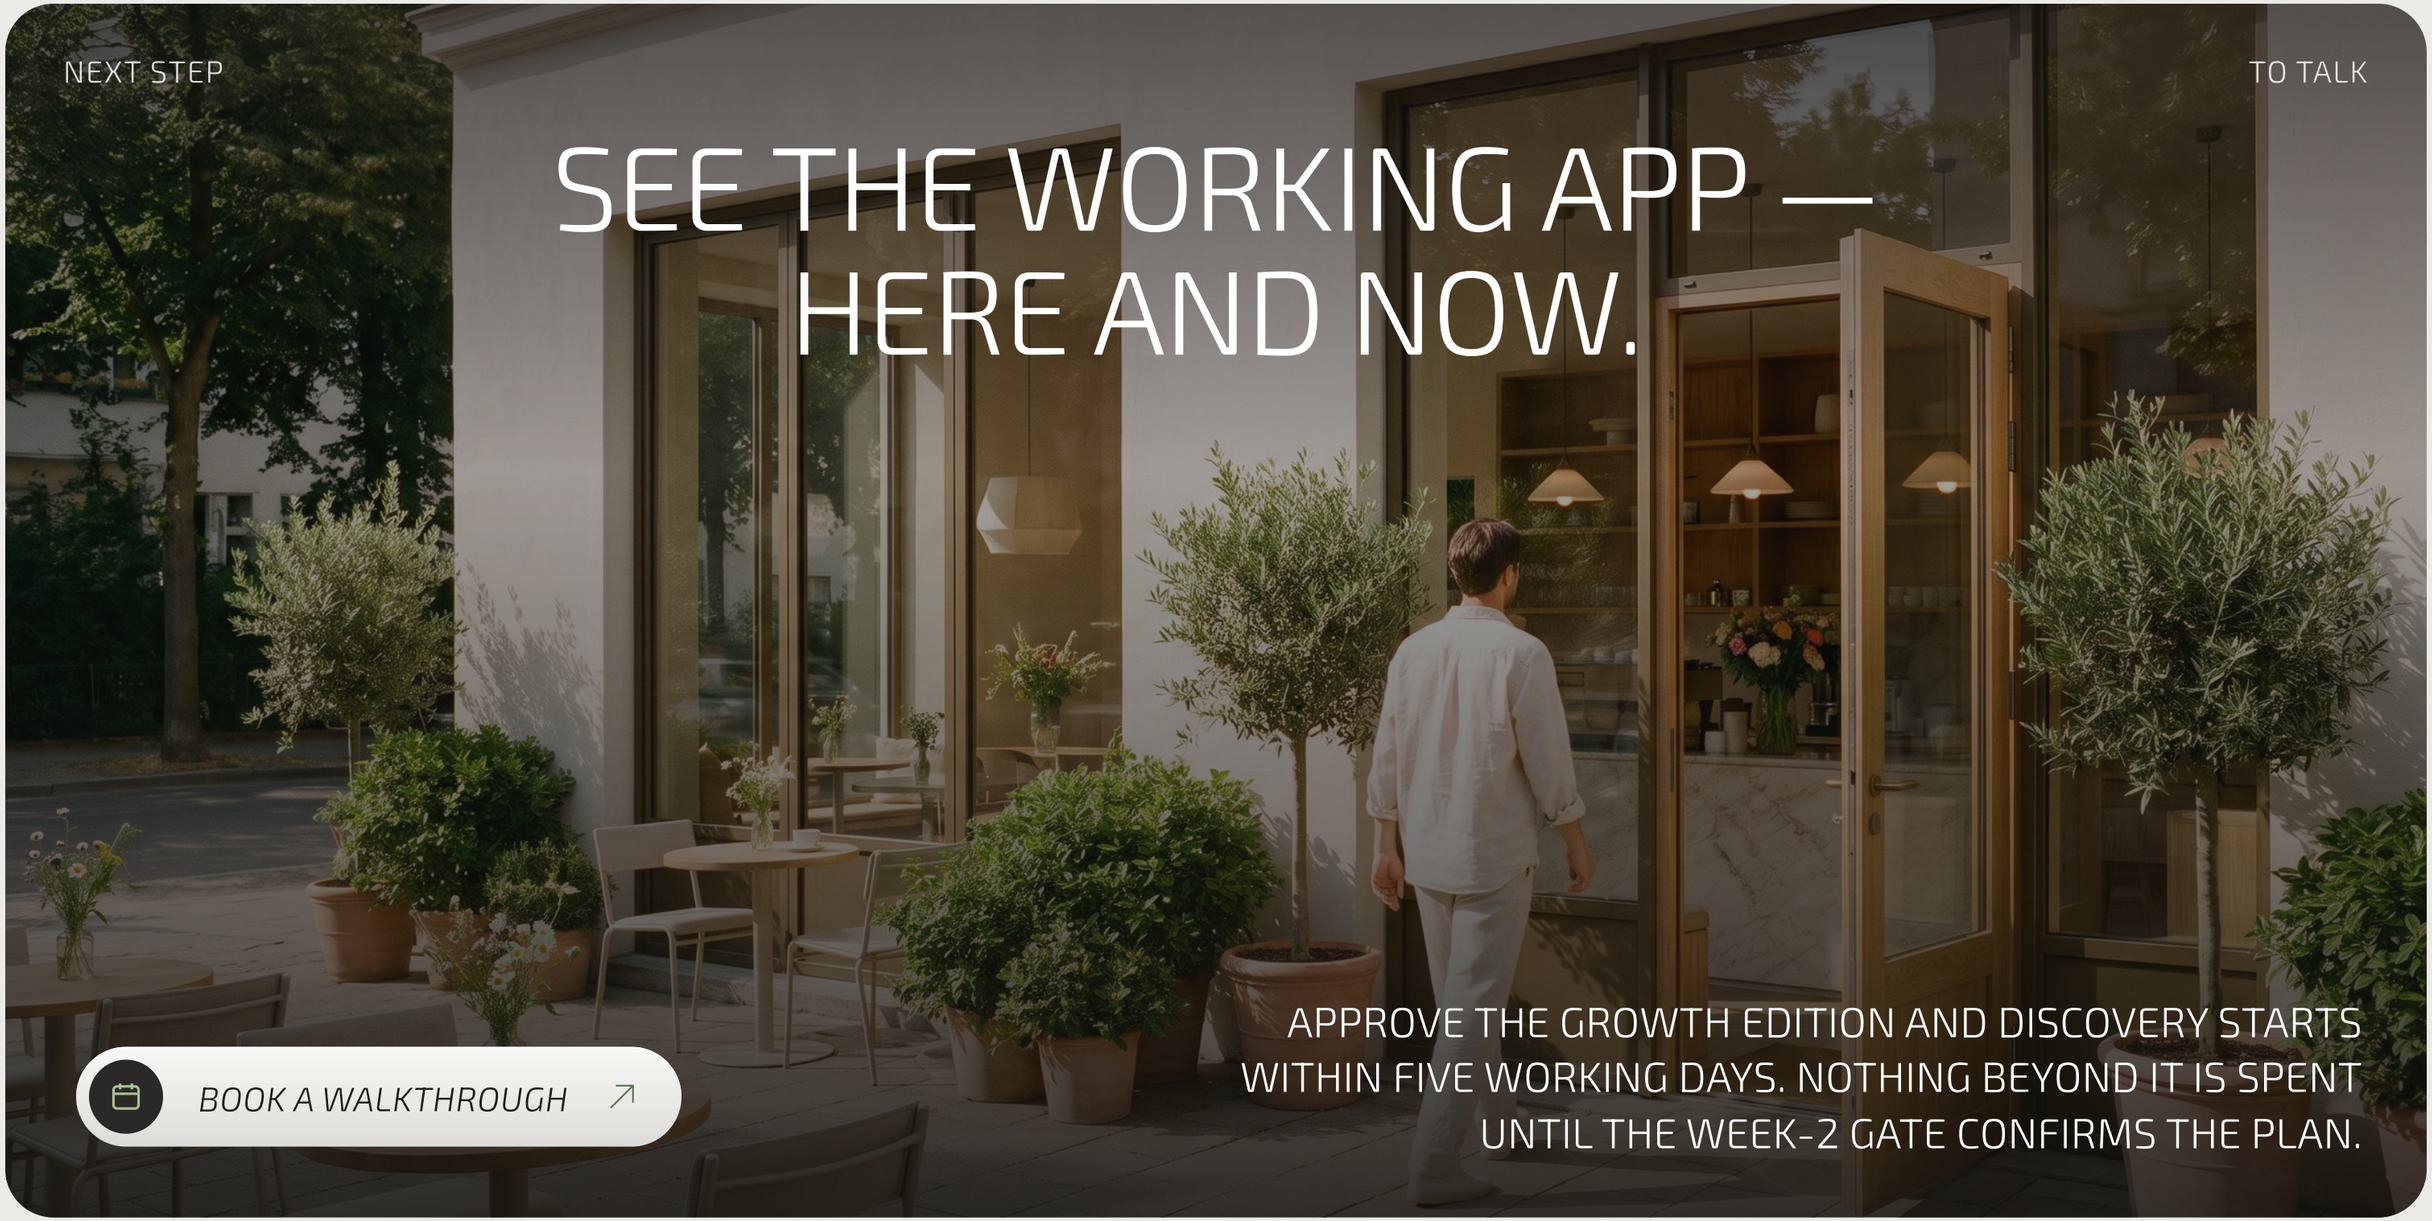

HOW THE INVESTMENT IS PROTECTED

RISK	HOW WE MANAGE IT
PROVIDERS DIFFER FROM OUR ASSUMPTION	Week-2 gate: booking and payment providers, APIs and sandbox access confirmed before build spend, and re-scoped with you if needed.
LOW ADOPTION AFTER LAUNCH	Table QR, a host-stand script, a launch reward and tracked campaigns drive installs. The dashboard shows what is working every week.
GUESTS FEEL OVER-MESSAGED	Consent per channel, frequency caps, quiet hours and one-tap opt-out. The opt-out rate is a reported KPI.
PRIVACY AND POPIA	Data minimised, consent recorded with its wording and version, and marketing switched on only after Tashas's legal sign-off.
CONTENT OR OFFERS ARRIVE LATE	A shared content calendar and a five-working-day approval turnaround agreed at kick-off. Sample content stays labelled until approved.
SCOPE GROWS DURING THE BUILD	Fixed price for the listed scope. Anything new goes through a written change request with its own price, approved first.
APP STORE REVIEW DELAYS	Store rules built in from the start, two weeks planned for review, submitted under Tashas's own developer accounts.

WHAT THIS RESTS ON

- TASHAS CONFIRMS ITS BOOKING AND PAYMENT PROVIDERS BY WEEK 2
- TASHAS SUPPLIES APPROVED MENUS, CAFÉ DETAILS, OFFERS AND REWARD RULES
- APPLE, GOOGLE AND MESSAGING ACCOUNTS OPEN IN TASHAS'S NAME, PAID AT COST
- PRICES, MENUS AND STOCK ALWAYS COME FROM TASHAS'S SYSTEMS
- ENGLISH AT LAUNCH
- ON FINAL PAYMENT, TASHAS OWNS THE CODE, DESIGNS AND DATA

SEE THE WORKING APP — HERE AND NOW.

APPROVE THE GROWTH EDITION AND DISCOVERY STARTS WITHIN FIVE WORKING DAYS. NOTHING BEYOND IT IS SPENT UNTIL THE WEEK-2 GATE CONFIRMS THE PLAN.
